### **Camp Time Changes for Winds and Percussion**

Due to the fantastic work that has been going on for the past few days and being able to gauge what we need to accomplish before August 1st, the winds and percussion rehearsal schedule for Summer Camp has changed slightly. The altered schedule also allows for optimal rehearsal space usage based on the first two days of band camp. **The color guard times will remain the same as previously scheduled.** Make sure all students bring their own lunch as there will not be enough time to leave campus and return on time. The changes will be as follows for Monday, Tuesday and Wednesday of this week and has been updated on the Google Calendar:

### **Parent Pickup Areas**

We are asking that all student pickups at Prosper High School be made in the designated areas as shown in the attached handout. The safety of our students, parents and vehicles are our highest priority and this will help ensure less congestion in the back private lesson area entrance. Thank you for your attention and cooperation!

## Prosper Band Pickup Areas

To maintain the safety of all students, parents and vehicles, we ask that you do not pickup students at the Private Lesson doors located at the back of the band hall. There has been too much congestion with picking up 360+ students over the past few days and we need that area cleared. Please pick your students up at any of the yellow highlighted route locations. It will keep everyone safe, allow you to get out quicker, and give your students a little more cardio!!!! It's a win-win for all!!!
