Distance Learning

All students will be participating in distance learning through their ensembles Google Classroom. All students should check on Monday for assignments due throughout next week.

For students that are in need of their instruments, we will be providing opportunities to pick up their instruments next week. A director will be at PHS from 9am till 11am on Monday, March 16th for you to pick up your instrument. This is for pickup only.... No practice opportunities inside PHS.

Private Lessons

The Directors are encouraging all students that participate in private lessons to reach out to their private lesson teacher directly to find options of remote lessons. It is important to continue to progress in your playing throughout this extended absence from traditional school.
