The Umbrella Board has a meeting this week in which the topic of Sponsors for the various organizations will be addressed. She will share with the PBBC and the directors how that will impact the band(s) going forward. Also, for everyone to start thinking of their positions on the board and what role they may want for the next year and anyone that may want to assume the new positions going forward.

Treasurer Report: Kevin L reports that our budget to actual funds is in good position. The band's income has been good and the expenses have been low. We still expect to pay about \$5-6,000 for banquet expenses. The decision will need to be made if a deposit will be paid toward next year's banquet.

Spirit Wear/Fundraising: Kina J., said that more surplus shirts have been found and turned over to her so she will be putting them up for "fire" sale on the merchandise site.
